Title: Tessa and the Fishy Mystery

Author: Carole Douglis

Grade: 1-5

Summary: Tessa loves living near the ocean and visiting with her sea animal friends. Sadly, many of Tessa's animal friends begin to disappear from the sea and coast. Learn about why all the animals have left, and what Tessa and her village do to bring them back. This United Nations Environment Programme publication, also includes interesting facts and figures about seas and oceans, as well as what kids can do to protect the animals that live there.
