

# Videos on Garbage

SF Environment  
Our home. Our city. Our planet.

**Title:** Garbage Tale: An Environmental Adventure

**Producer:** Churchill Films

**Running Time:** 18 minutes

**Grade:** K-5

**Summary:** In this fun video, a boy dreams that a garbage man takes him on an adventure in a garbage truck. The boy learns about problems related to solid waste as they visit a landfill, compost facility, an incinerator, and a recycling center.

---

**Title:** Where It All Goes

**Producer:** Norcal Waste Systems

**Running Time:** 13 minutes

**Grade:** 3-8

**Summary:** Follow “Mr. Shiny Shoes” as he explores the route that garbage goes on from your waste basket to the landfill. Excellent footage shows the sheer amount of garbage San Francisco generates every day.

---

**Title:** Kids Talkin’ Trash

**Producer:** Alameda County Waste Management Authority

**Running Time:** 14 minutes

**Grade:** 4-6

**Summary:** Although this video is geared specifically towards Alameda County, it gives an accurate introduction to the problems associated with waste. Focuses on the 4 “R’s” and shows the recycling process.
